ADHD/Autism + **Interested** in Social VR?
Recruiting participants

If you:

☑ **DO NOT** have prior experience with social VR
(VR environments designed for socializing with others)

☑ Experience frequent challenges with social interactions

☑ Self-identify as having ADHD or autism

☑ Are 18+ years old

Participants will conduct a **75 minute in-person social VR** trial and interview at the Cornell Tech campus.

You will receive $50 compensation for participating.
